Four events are budgeted for this year, The budget for each event is currently \$1500, assuming a \$1000 sponsorship, and \$500 NCC funds. We are projected to be approx 5000 dollars short on funds for events this year. The lower than anticipated expenses for the Leadership Retreat will be offset by the golf outing expenses.

See the attached Event Notes from Tracey for additional Events information.

Idea to draw additional attendees (repeated from last month): Leverage the new Associate Commissioning certification to building owners, engineers, IFMA, etc.

**i. York PA Event - no confirmed date; no update at this meeting. The following is repeated from the prior discussion**

John Runkle has agreed to manage this event. He requests assistance from someone to help with a sponsor. No volunteer at this time

**Action items**

**Adam to investigate the cost for the Spring event at Baltimore Inner Harbor locations. Need to resolve and move forward with a location within the next week.**

**All are encouraged to send information to Tracey regarding any industry events that are compatible with our mission. The goal would be to get exposure through co-sponsoring events with other groups (i.e. ASHRAE), with relatively low expense.**
